PROFILE

MSc Interactive Digital Media candidate at Trinity College Dublin, with a degree in Digital Arts & Technology with Economics and experience as a Technology Consulting Analyst at Deloitte on a large SAP S/4HANA implementation and cloud initiatives. Particularly interested in customer experience, interaction design and digital transformation.

WORK EXPERIENCE

Deloitte *AUG 2024 – JUNE 2025*
Technology Consulting Analyst
SAP, Enterprise Technology & Performance (ETP)

SAP S/4HANA Implementation, Leading Paper & Packaging Company

- Ran daily scrums and weekly client meetings, reporting on progress, plans and deliverables.
- Managed 50+ concurrent JIRA tasks to keep client milestones on schedule.
- Facilitated workshops with senior client stakeholders to agree processes and decisions.

PMO, Office of GenAI (Deloitte Europe)

- Represented Deloitte Ireland in GenAI market activation across North South East European member firms, coordinating PMO activity and funding, and acting as the link to EMEA and Global teams.
- Prepared presentations and meeting minutes for leadership, and followed up on agreed actions.

Business Development & Internal Roles

- As part of SAP cloud team, initiatives included co-developing proposals.
- Wrote a weekly technology newsletter for 200+ ETP consultants, covering AI and SAP developments.

Digital Internship *JAN - MAR 2022*
Aras na Gael, Galway

- Evaluated and selected new software for the organisation.
- Advised management on the design of the organisation's digital interface.
- Managed social media accounts to grow online engagement.
- Booked acts for events on time and within budget, and designed digital ads and posters to promote them.

EDUCATION

MSc in Interactive Digital Media, Trinity College Dublin *SEP 2026 - AUG 2027*
Web development and programming (JavaScript, HTML/CSS), 3D and interactive visuals (3DS Max, Processing), audio, video and physical computing, media theory. Awarded E3 scholarship for proposal of a spatial alternative to social media, currently in progress for research paper.

SAP Certified Associate - Public Cloud *MAY 2025*
Implementation Consultant - SAP S/4HANA Cloud Public Edition

BA (Hons) in Digital Arts & Technology with Economics, University of Galway *2019 – 2023*
Grade: 2.1
